

2019 ANNUAL MEETING

December 5 | Gaylord National Harbor, MD

Michael Matthews, Chairman of the Board

A New Era in Health Information Exchange

Progress Is Made Where Policy Meets Practicality

the
sequoia[®]
project

A Call To Arms In The Revolution of Health IT

Today

- Identify a new health information exchange partner in the room – or in your community. Sit down and discuss how you can start serving your shared populations better.
- Bring a colleague: Who isn't in this room who should be? We can't achieve national exchange alone.

Every Day

- Be a champion within your own organization
- Be a participant in the Sequoia community
- Education yourself on the looming policies....no surprises.
 - Information blocking in particular
 - Future RCE Taskforce.

Board of Directors Elections

Broad Representation Needed

- Provider organizations / clinicians across the continuum
- Health information networks (HINs)
- Vendors
- Health Plans
- Consumers
- Standards Development Organizations (SDOs) / accelerator projects
- Governmental liaisons

Process Update

- November: Open call for nominations
 - 20+ submissions received
- December: Board Nominating Committee reviewing applications
- January: Election by membership
