# Data Usability Workgroup (DUWG) Update

- **Many thanks** to Dr. David Camitta for his volunteer leadership to the workgroup 10/2020 - 12/2021
- **Welcome** to [Dr. Adam Davis](#) from [Sutter Health](#), who will begin his co-chair duties in February 2022 and the DUWG leadership team will bring him up to speed on the activities to date
- Co-chairs and staff continue to develop the draft implementation guide
  - Staff will reference existing recommendations from Carequality/Commonwell Joint IG V2 to be published prior to the DUWG IG is published for public comment
  - Phase 2 Draft IG is expected to be published in April 2022 to begin the 60 day Public Comment Period with a summary roadmap for future work activities included

## Phase 2 Implementation Guide Development Process

- Co-chairs and staff have organized and gathered the content for the 7 topic areas developed in phase 1 activities
- Topics will be addressed in priority order
  - This will be documented in the existing Google docs and/or the draft IG for the work
    - Priority Work Items Spreadsheet:
      - <https://docs.google.com/spreadsheets/d/1eRbgoStsfhYzIK-wj4TIU9Wr4MEkxF3syOxsHWIPdg/edit#gid=0>
  - Staff will review existing recommendations from Carequality/Commonwell Joint IG V2
  - Integrate feedback from workshop(s), vendor discussions and Interoperability Matters meetings to the draft IG
  - Incorporate feedback from Data Usability Collaboration space / forum
    - <https://sequoiaproject.org/interoperability-matters/data-usability-workgroup/>
  - Go over problem statements from a more technical perspective
  - Document other aspects to be considered for the solution
  - Identify questions that still require clarification for all topics
  - Update the Draft IG for each topic category and use case
